GlobalRiceToken (GRT) is a blockchain token on the Tron Decentralized Web which funds the
10 Top Global Poverty Nonprofits

1. The Borgen Project – [The Borgen Project](#) has taken the plight of the world's poor to the political level. With access to most members of Congress and an advocacy network of volunteers in every state, The Borgen Project is considered one of the most politically influential organizations fighting for the world's poor.

2. ONE Campaign – [ONE Campaign](#) uses grassroots and advocacy to raise awareness and money to help put a stop to global poverty. They mainly focus their attention on those living in impoverished conditions in Africa.

3. Global Giving – Global Giving is a charity fundraising website that gives nonprofits from anywhere in the world a chance to raise the money that they need to improve their communities. Since 2002, the project has raised \$114,889,647 from 392,257 donors and has supported 10,252 projects. <https://www.globalgiving.org/>

4. UNICEF – [UNICEF](#) is one of the largest nonprofit organizations and it is dedicated to helping children in need. UNICEF does so much for children around the globe, all while promoting education for girls and better health for pregnant women.

5. Partners in Health – Partners in Health is another nonprofit much like Shot@Life, which is geared towards providing a better quality of living and preventing disease. Partners in Health partners with doctors and health institutions across the globe to provide much needed relief for people who would otherwise be unable to afford health care

6. GiveWell – GiveWell is a combination of several top rated charities all over the world. Most, if not all, of these charities provide relief for impoverished people in every nation.

7. CARE – [CARE](#) wants to cut poverty off at its roots. This nonprofit provide tools for people who are at a higher risk of falling into poverty and they help them to be successful and rise above the poverty within their nations.

8. Life in Abundance – Life in Abundance is a Christian-run organization that mobilizes churches and missionaries alike to provide relief for those who are suffering. This nonprofit wants to provide a healthier lifestyle to those who are living in poverty.

9. International Rescue Committee – The International Rescue Committee responds to the world's worst humanitarian crises and helps people to survive and rebuild their lives to prevent global poverty. The nonprofit was founded in 1933 due to a request from [Albert Einstein](#) himself. The IRC has since offered lifesaving care and life-changing assistance to [refugees](#) forced to flee from war or disaster.

10. Shot@Life – Shot@Life, while not primarily putting an end to global poverty, is trying to eradicate one facet of it. Shot@Life is a nonprofit that provides vaccinations for those less fortunate so they will not be plagued by preventable diseases.
